SIR,

I have the honor to state that at the Council meeting held on 25th May 1943, the proposition of Mr Ramalal Thiwari, that the present Personal Assistant to the Municipal Commissioner be immediately transferred and a panel of names be obtained from Government to choose another person, was taken up for consideration but it was lost for want of a seconder

Arising out of the proposition and the discussion thereon, Mr C N Narasinga Rao moved the following resolution -

" That the Personal Assistant be not transferred without the approval of the Council and the Personal Assistant's transfer application be placed before the Counci

This was seconded by Mr P R Ramiah and was carried only, Mr Ramalal Thiwari dissenting

In the course of the discussion it was pointed out that the application of Mr A Mariappa requesting for transfer should have been placed before the Council before it was forwarded to Government

Thereupon, the Municipal Commissioner put up a Note at the Council meeting dated 12th June 1943 that Mr Mariappa submitted an application praying for transfer as the life here was sedentary and this application was forwarded in the usual course and that the resolution of the Council dated 25th May 1943 was duly communicated to Government and that orders of Government were awaited thereon

On this memo of the Municipal Commissioner the Council resolved that the Municipal Commissioner's Note be recorded and that the

P T O

President should write to the Government regretting that the correspondence had not passed through him and that the Council resolution may be approved

As formerly resolved upon by the Council, the application of Mr.A Mariappa has got to be placed before the Council and I therefore request that the application together with the connected papers may kindly be caused to be sent to me for being re-transmitt with the Council's opinion thereon
